Transport is at the core of modern society. Imagine using your expertise to shape sustainable transport solutions for the future? If you seek to make a difference on a global scale, working with next-gen technologies and the sharpest collaborative teams, then we could be a perfect match.

Come and join us at **Renault Trucks (Volvo Group)** – we are now hiring a **Business Controller** located at our **headquarters near Warsaw**.

Responsibilities

- Providing reliable managerial information & insights to Renault Trucks Poland Management Team, advising on operational and strategic decision making
- Analyzing financial & commercial performance, identifying areas for improvement and recommending corrective actions
- Preparing business plans and forecasts in close cooperation with business partners
- Supervising month end closing process
- Reporting financial results to Renault Trucks and Volvo Group Headquarters – including variance analysis and comments (P&L, balance sheet, cash performance)
- Ensuring compliance of financial reports and business processes with Volvo Group policies and internal control standards
- Supporting Finance Director in finance, digital and investment projects
- Cooperation with Renault Trucks HQ and Volvo Group Financial Control & Accounting team
- Cooperation with auditors

Required knowledge and experience

- Higher education (preferably finance / economic profile)
- Minimum 2 years of professional experience as Finance / Business Controller
- Good business acumen & understanding, proactivity, problem solving attitude
- Strong communication skills (English and Polish), ability to present complex issues in a clear and concise way
- Effectiveness, reliability, well organized with ability to prioritize tasks
- Very good knowledge of MS Office – especially MS Excel and PowerPoint,
- Experience with SAP and Power BI will be an asset

What's in it for you?

- Collaborative & respectful environment in international organizational culture - a company with strong market position and high operating standards
- Social package including, among others: private medical care, Multisport, lunch card, sport & culture card, yoga, holiday subsidy, fruit Wednesdays, gifts for Christmas
- Work-life balance: respecting your time with family and friends after work hours, hybrid work / flexible working time
- Celebration of important moments in an employee's life
- Access to wide knowledge and tools base regarding latest technological solutions
- Friendly work environment based on cooperation, teamwork and knowledge sharing
- Partnership with professionals, career paths including global development opportunities and international projects, mentoring and coaching
